1 Fixes

| Reference | Description | | | | | |
|-----------|--|--|--|--|--|--|
| IGN-2174 | [French translation] Replace the label named "Numéro du certificat" with "Numéro de transport" when selecting a means of transport under the "Consignment" tab | | | | | |
| | INFORMATIONS SUR LE TRANSPORT | | | | | |
| | Mode de transport : Mode de transport Nom de transport Numéro de transport | | | | | |
| | Nom de transport Transport ferroviaire TST Railway TSTAB1234 | | | | | |
| | Numéro de transport | | | | | |
| | Ajouter | | | | | |
| IGN-2215 | [WS USER FEEDBACK] Commodities and treatments to be displayed in the printout | | | | | |
| IGN-2221 | Allow the NPPO Admin to save changes in the company profile. | | | | | |
| | Steps: | | | | | |
| | Log in as NPPO Admin | | | | | |
| | Click Companies | | | | | |
| | Double click a life to open a Company profile | | | | | |
| | For a contract of the role | | | | | |
| | Click "Save Brofile Changes" | | | | | |
| | Click Save Frome Changes Verify that the shanges have been applied to the User profile | | | | | |
| IGN-2254 | IMG USER EEEDBACK1 The red Testing warning should not disappear once user is logged | | | | | |
| | | | | | | |
| | Note: This is a User Acceptance Test site (for testing purposes only) | | | | | |
| | Pending Actions | | | | | |
| IGN-2304 | [GT USER FEEDBACK] Consignee name and address should always appear on the issued PC | | | | | |
| | and printout. | | | | | |

2 Enhancements

| Reference | Description |
|---|---|
| Reference IGN-1586 IGN-1586 IGN-2209 | Description [Reference Data] Group under "Commodities" two submenus: "Commodity list" (former Commodities) "Language picker" (former Language) Change instructions within the "Language picker" submenu. Reference Data Condition Condition Condition Condition Condition Conduct Description Treatment Type Intend of Use Meane of Transport Package Type Units of Measure Commodity Click # Commodity" to display the available subfolders Click here to open the list of commodities on the right side Click here to open the list of languages which you wish to configure for your Common Names within the Certificate Request [USER FEEDBACK] When an ePhyto (electronic Phytosanitary Certificate) is sent, the details of the electronic exchange should be displayed in the "HUB Tracking" tab. In case of a PC that includes both ePhyto and Paper Certificate, the GeNS will only display the details of the electronic exchange in the HUB and able to receive ePhytos) and to South Sudan (currently not registered in the HUB and table to receive ePhytos), the "HUB Tracking" tab will only display information relevant to the actual ePhyto going to Italy. |
| | General Consignment Commodities Attachments History Hub Tracking Only the information of the ePhyto/s is included in the "HUB Tracking" tab Country: Delivery No: IT |
| | ISSUED Tracking Info: Message: Delivered Re-Send Please note that this will be applied to all future PCs. |
| IGN-1693 | [WS USER FEEDBACK] Add Samoan (sm) language (which was not present in the EPPO database) under "Language picker" within the "Reference Data" |

| IGN-1713 | [GT USER FEEDBACK] Provide a configuration to select the Inspection date in the past in | | | | | |
|----------|---|-----------------------------------|--|--|--|--|
| | case the inspection is conducted prior to the certificate request creation (a phytosanitary | | | | | |
| | programme). | | | | | |

| IGN-2171 | Resending the envelopes through the HUB should be limited to the NPPO Admin for the FailedDelivery envelopes. Steps: | | | | |
| | Create and issue a new PC to a country which is registered in the HUB and able to accept ePhytos. | | | | |
| | If you are not sure go to Administration > HUB Registered Countries > Find a | | | | |
| | country which note says "Currently Able to send and accept" | | | | |
| | Once the ePhyto is issued, make sure to log in as NPPO Admin + NPPO Officer roles | | | | |
| | Go to the "Issued" list and find the ePhyto you have just issued | | | | |
| | Open the "HUB Tracking" tab of the Phytosanitary Certificate. The "Resend" button should be: Enabled if the HUB <i>Tracking Info</i> is displayed as <i>FailedDelivery</i>. You should | | | | |
| | | | | | |
| | | | | | |
| | be able to click on it and a new envelope will be displayed temporary as | | | | |
| | PendingDelivery until you get the final into from the receiving country. | | | | |
| | DeliveredWithWarnings DeliveredNotReadable) | | | | |
| | If the "HUB Tracking" tab displays both ISSUED and WITHDRAWN envelopes in | | | | |
| | FailedDelivery, only the latest WITHDRAWN will show the "Resend" button as | | | | |
| | enabled. | | | | |
